BEFORE SPRING COMES, TONE UP YOUR BLOOD

Your Blood Needs the Help of Gude's Pepto-Mangan in Springtime to Overcome
Drowsy, Listless Feelings Called
"Spring Fever."

PALE FACES CAUSED BY BAD BLOOD
That Tired, All-Gone Feeling a Danger Signal
That Your Blood Needs That Splendid
Spring Tonic.

The blood that courses thru your body in the arteries and veins is of the most vital importance to the healthy life of the body. The little red corpuscles are what carry life to the millions of cells that make up your body. The blood is also the vehicle that carries away most, if not all, of the waste products.

Springtime is the season when the body adjusts itself from the rigors of winter to the heat of summer. You notice how much sickness there is in the Spring? Perhaps there are weeks when you feel drowsy and listless, and you call it "Spring Fever." It is really your blood that has become weak and it needs help.

Take that good blood tonic—Gude's Pepto-mangan. It will give the red corpuscles in your blood new power to carry fresh oxygen to the cells all over the body. You'll notice a change for the better in a few days. It brings the color back to pale faces and lifts you out of tired, all-gone feeling so that you enjoy full vigor.

Spring is the time for a good blood tonic. Take Gude's Pepto-Mangan so that you can enjoy the most beautiful season of the year. Get it at your druggist's, but be sure it is the genuine with "Gude's Pepto-Mangan" printed on the package. It is sold in both tablet and liquid form. They have exactly the same medicinal value. Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI

The Woman's Tonic

"... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.
